

**SAVE THE DATE!!!**

## **2008 CHILDREN'S OBESITY CONFERENCE**

**Wednesday, October 15, 2008  
8:30 am to 4:30 pm  
Mesa Convention Center  
Mesa, Arizona**

*A collaborative partnership of Arizona community health organizations.*

The 2008 Children's Obesity Conference will promote a comprehensive approach in addressing obesity related risk factors that exist among children and adolescents across the State of Arizona.

### **CONFERENCE GOALS:**

- Share information that aims to improve the overall health of youth through education and information that promotes healthy lifestyles.
- Promote comprehensive systems and collaborate partnerships among health professionals that service youth.
- Describe health disparities that exist related to childhood obesity that impact the community and health related services.
- Highlight existing resources across Arizona that address risks related to childhood obesity.

### **CONFERENCE TRACKS**

- The Influence of Policy and Environment on Childhood Obesity
- Education Training and Research:
- Importance of Partnerships and Role of Community, Schools and Family in Addressing Needs of Children at Risk for Obesity.
- Effective Program Planning, Implementation and Development of Programs that Address Childhood Obesity:
